THE 36th ANNUAL EVENT WILL BE ON MARCH 26, 2017

Get ready for another great show! The Michigan Buggy Builders VW & Off-Road Trade Show and Swap Meet will be celebrating its 36th Annual event on March 26th 2017. Be sure to mark your calendars now, and you can also flip to Page 3 inside this newsletter for more details about the location, event hours, and how to reach us for additional information.

This year's event is sure to be bigger and better than last year. Many of the same exhibitors from the past have committed to booth spaces for this year, and a lot of new people have already inquired about selling spots. We hope you also take advantage of the large crowds that attend the show by reserving a booth to sell your used parts and spares. It's always a good time!

We are happy to announce that B&L Sand Toys will be the lead sponsor for the 36th Annual Michigan Buggy Builders event. They are joined by co-sponsors Appletree Automotive, Don's Sport Vehicle Sales, ACME Car Company, Alpha Fab Industries, Hot VWs and Sand Sports magazines, Drew's Off-Road, Barnum's Bug Barn, LA Products, Whitehill's Buggy Shop, MOFOCO, German AutoWerks and US 131 Motorsports Park.

B&L will also be back with their impressive exhibit of off-road parts, suspension components and other parts for your sand and trail machine. They will also have a full line of RC Cars, videos from events they sponsored during 2016, and information about vouchers and season passes for the Silver Lake State Park. Don't miss out!

You can also count on getting good deals from the other businesses that support this event. One of the reasons many of the attendees tell us they come to the show each year is because there's always something new to find from the private sellers. Who knows what treasures are hiding inside someone's garage, until they bring them to the Buggy Builders swap meet.

The following pages will give you a better idea of what this show has to offer, including display ads from supporting businesses and a sign-up form to get your own selling spots. Be sure to visit our website for more information about hotels in the Lansing area and directions to the event.

**BE SURE TO VISIT OUR WEB-SITE FOR
NEW INFORMATION & SHOW UPDATES

ADDITIONAL INFORMATION ABOUT OUR EVENT ON MARCH 26, 2017

The Michigan Buggy Builders Show began as a simple swap meet, and it evolved into a "trade show" after a few years when some of the local manufacturers and larger businesses began setting up booths. The show has continued to grow with professional booths and a full line of new products, but you can also scrounge around and find lots of rare "garage finds" that people bring from their private collections.

Each year, the event changes slightly, and it seems as if you never know what you'll see or find at this event. Reason being, there are always new people who come to the show and set up selling spots with used parts that they pull out of their garages. Everyone is welcome to sign up for a spot, and we make it easy for friends to purchase multiple spots and set up next to each other so they can help each other during the day. If you have questions about doing this, please feel free to contact us and we'll be more than happy to explain the simple process.

What makes this event unique is that it takes place in a professional "trade show hall." The show is held in the three main halls at the Lansing Center, in downtown Lansing, MI, and this is a one-day event. People ask us why the doors do not open to the public until after 10 a.m. The reason is that we are not allowed to open to the public until the vendors have moved their vehicles out of the building. So, if you want to enter the show halls early, you will need to purchase a spot. The prices are fair and you can share a spot with your friends.

Ask anyone and they'll tell you this is a great event and it's always well worth the price of admission. We do everything we can to make it fun for spectators, as well as people with selling spots. So, if you have any additional questions or if you're thinking of getting a spot for the first time, we encourage you to call now before we sell out. We hope you join us for another successful event.

IT'S SIMPLE TO CONTACT US!

Take note of our contact information and mailing address, which will streamline the signup process for all vendors. The primary address has changed so please update your records. Send your exhibitor form ASAP so we can process your booth orders and get your paperwork and tickets back to you quickly. Forms sent to the old address will be delayed and we will not be able to return your materials promptly. Our updated contact information is throughout this mailer, so be sure to update your records with our new mailing address.

BECOME OUR FACEBOOK FRIEND

If you have a Facebook account, we'd like to invite you to join the Michigan Buggy Builders page. By doing so you can read our updated posts, as well as make a post of your own directed at other vendors or spectators who will be attending the show. Chat with other people about products you are bringing for sale, or inquire about the parts you are interested in buying. You'll also find posts about our sponsors and there will be photos of door prizes that we will have in our free drawing. It's very simple to join us on Facebook. We have a link on our website that takes you to the page, or you can visit <Facebook.com/MichiganBuggyBuilders>.
www.Facebook.com/MichiganBuggyBuilders

EXHIBITOR REGISTRATION FORM

SELLING & SHOWING SPOTS: The size of each space is 10-feet wide by 12-feet long for \$80.00. Two people will be admitted free per spot. 2 more passes can be purchased for \$25.00 each, which are for people that will help set up your booth. You will receive one vehicle pass for each space rental. This will allow one car or truck with trailer to enter the Lansing Center. This means you will need to have all your stuff in one vehicle NOT 2 or 3. If everything is not inside one vehicle, you will have to unload outside and carry everything inside. Friends who want spots next to each other need to be in line together before entering the building.

Deadline for purchase of extra worker passes will be March 5, 2017. Make sure you have all that you need by then. We will not sell any after March 14th, and you can not purchase any at the door, unless arrangements have been made by phone for will call.

TABLES are \$15.00 each for a 8-foot table, plus a \$50.00 deposit that will be returned at the end of the show when you turn in your table. (\$50.00 deposit applies whether you rent 1 or 15 tables). Table rental is not required, but offered as a convenience.

Chairs are \$3.00 each to rent, or you can bring your own.

All spots are reserved in advance by full payment. After March 5, 2017 any available spots will be \$85.00 each. There will be no re-funds after March 5, 2017. Remember, this event sells out every year. To insure you receive a spot, sign up early!

A Confirmation Letter, your Exhibitor Tickets, and the Vehicle Passes will be mailed to you.

ELECTRIC for show or selling spots is \$60.00 for up to 3 plugs that you plug into the Lansing Center.

SHOW CLASSES: Unfortunately, due to limited interest and a decline in Show Car entries, we will not have a Car Show at the event this year. Exhibitors are encouraged to bring display vehicles, and there will be several off-road cars and vehicles of all types on display. However, we will not be presenting trophies at the event for custom vehicles this year. Please contact us if you have any questions.

For any questions regarding registration or exhibiting at the show, call us at (517) 402-1303

What are you selling:

Name: _____

Number of Spots _____ X \$80.00 _____

Address: _____

Event Location — Lansing Center, 333 E. Michigan Ave., Lansing, MI 48933

MICHIGAN BUGGY BUILDERS

Volkswagen / ATV / Dune Buggy Trade Show & Swap Meet

Sunday March 26, 2017 – 10:30 a.m. to 4:00 p.m.

LOCATION: Lansing Center, 333 E. Michigan Ave. Lansing, MI 48933

Over 300 Booths filled with lots of new and used Volkswagen parts, the latest Sand and Off-Road equipment, accessories, vintage VW items, collectible toys and literature, racing videos, special deals from manufacturers and parts distributors, several leading auto distributors in the midwest will be there, and there will be lots of swap meet booths from private sellers.

This is a family fun event with door prizes, and a large variety of vendors selling all types of new and used parts — including rare finds. There's clubs to join for VW and Buggy owners, and there will be modern off-road vehicles and classic VWs on display. The vendors will have everything from new & used parts for all types of cars & trucks. New for this year is the ability to purchase admission tickets online & use an express entry door.

Start the year off right and attend the show. If you want to buy or sell this is the place to be.

GENERAL ADMISSION: \$10.00 Adults (Kids 12 & Under are FREE!)

TICKETS: Tickets will go on sale at 9:30 a.m. in the lobby of the Lansing Center on the day of the show.

For Directions and info about Hotel Accommodations, visit our web-site at <www.BuggyBuilders.com>

IF YOU HAVE ANY QUESTIONS: Call (517) 402-1303 or e-mail us at <info@buggybuilders.com>
